Subj.: **Request for Waiver of Three School Days Missed during Governor's State of Emergency**

The Davenport School District is requesting waiver of the following school days that were missed due to recent winter storms that took place during Governor Inslee's recent state of emergency declaration:

- Feb. 11, 2019
- Feb. 12, 2019
- Feb. 15, 2019

Due to drifting snow and dangerous road conditions, we cancelled school on the dates listed above. We are requesting this waiver so that we will not lose state apportionment dollars for the days missed.

We have re-calculated our average instructional hours and, after subtracting the lost instructional time for the above-listed three days, we are still well above the minimum requirement district-wide annual average of 1,027 instructional hours as stipulated in REC 28A.150.205 (*We will be at a district-wide average of **1061.20** instructional hours if the waiver days are granted.*)

The Davenport School District Board of Directors approved this request of the three waiver days listed above during their regular board meeting on Feb. 25.

Please contact me if you need any additional information.
