RESOLUTION NO. 19-02

A RESOLUTION of the Board of Directors of Davenport School District No. 207, Lincoln County, Washington, providing for the submission to the voters of the District at a special election to be held on February 11, 2020, of a proposition authorizing an excess tax levy to be made annually for four years commencing in 2020 for collection in 2021 of \$738,000, in 2021 for collection in 2022 of \$760,000, in 2022 for collection in 2023 of \$782,000, and in 2023 for collection in 2024 of \$805,000, for the District's General Fund to pay essential expenses of educational programs and operation; designating the Secretary to the Board and special counsel to receive notice of the ballot title from the Auditor of Lincoln County, Washington; and providing for other matters properly related thereto.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DAVENPORT SCHOOL DISTRICT NO. 207, LINCOLN COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Davenport School District No. 207, Lincoln County, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2020 is the last year of collection of the District's current four-year General Fund maintenance and operation tax levy, which was authorized pursuant to Resolution No. 15-02, adopted by the Board on November 23, 2015, and approved by the voters at a special election held and conducted within the District on February 9, 2016.

(b) With the expiration of the District's current four-year General Fund maintenance and operation tax levy, it appears certain that the money in the District's General Fund for the school years 2020-2021, 2021-2022, 2022-2023, 2023-2024 and 2024-2025 will be insufficient to permit the District to meet the educational needs of its students and pay essential expenses of educational programs and operation support not funded by the State of Washington (the "State"), all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$738,000 be made in 2020 for collection in 2021, \$760,000 be made in 2021 for collection in 2022, \$782,000 be made in 2022 for collection in 2023, and \$805,000 be made in 2023 for collection in 2024 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed four-year General Fund educational programs and operation tax levy authorized in this resolution provides for approximately the same educational programs and operation purposes as the District's expiring four-year General Fund maintenance and operation tax levy.

(d) Pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053, the District may submit to its voters at a special election,

for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes for support of the District's essential educational programs and operation expenses.

(e) The District has received approval of its educational programs and operation tax levy expenditure plan from the Office of the Superintendent of Public Instruction under RCW 28A.505.240 as required by RCW 84.52.053(4), a copy of which is on file with the District.

Section 2. Calling of Election. The Auditor of Lincoln County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), is requested to call and conduct a special election in the manner provided by law to be held in the District on February 11, 2020, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition authorizing a replacement General Fund educational programs and operation tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for four years commencing in 2020 for collection in 2021 of \$738,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, in 2021 for collection in 2022 of \$760,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, in 2022 for collection in 2023 of \$782,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, and in 2023 for collection in 2024 of \$805,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact tax levy rate and amount to be collected may be adjusted based upon the actual assessed value of the taxable property within the District and the limitations imposed by law at the time of the levy.

Section 3. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes provided in this resolution to meet the educational needs of its students and pay essential expenses of educational programs and operation support not funded by the State, including, but not limited to teaching and support staff, smaller class sizes, maintenance, athletics, extracurricular activities and other educational programs and operation, during the school years 2020-2021, 2021-2022, 2022-2023, 2023-2024 and 2024-2025, all as may be authorized by law and determined necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.
