Davenport School Board
807 7th Street
Davenport, WA 99122

To the Davenport School Board,

I understand that you are in the process of searching for an individual to fill the currently vacant School Board Director for District #1. After the redistricting, my home now falls in this district. Please accept this as my letter of interest and application to be appointed.

I believe I can bring a fresh perspective to the Board with experience and education in criminal justice, the Lincoln County Treasurer's Office and being on the Growing Gorillas Preschool Executive Board for two years. I grew up in Harrington and have a sense of pride for small communities and schools and know how special they are. My daughter attended Davenport's Transition Kindergarten program last year and this year will be in Davenport's Kindergarten. My son is entering Growing Gorillas Preschool this year and will hopefully be in Davenport's Transitional Kindergarten program next year.

I am invested in this community and our children and want to give back. I care very much about the quality of Davenport Schools not only for the benefit of my children, but for all children and the fact that the school is an anchor in our community. I am happy to bring my knowledge and enthusiasm for our children's futures and success of the school to the Board and do everything I can to be a voice for my district and the community.

Thank you for your time and consideration.

Sincerely,

Jaymie L. Bennett
