- Mr. Donald Pratt

We would like to recommend Mr. Don Pratt for the HS Assistant Softball position. Don has numerous years of experience coaching a variety of sports including HS fastpitch softball. Don is newly retired, and a new member to the Davenport community. In his professional career he spent over 30 years working with youth and adults. Don has a great wealth of knowledge when it comes to coaching and working with student athletes. His references had outstanding things to say about his ability to connect and build teams and student athletes and numerous contributions to the overall athletic program. We are excited for the opportunity to add Don as the assistant for our Gorilla softball program.
