It is with some regret that after roughly 24 years of working with the football programs at Davenport that I hereby tender my resignation as Middle School Football Head Coach. I simply feel that I have reached the point where I no longer feel like I can do the job justice.

I would like to put in a recommendation for Dave Fitzpatrick to take my place if no one applies for the job internally. He has been my "assistant" for many years now. He knows the sport far better than I and is highly capable as coach and coordinator for the team.

I would like to thank the School Board and administration past and present for their faith and support all these years.
