8th Grade "HS" Athletic Participation

Our athletic director, Mr. Tim Rasmussen, has **formed a committee** to look at the WIAA language around 8th graders participating in high school athletics. We are seeking input from stakeholders on this topic. **The goal of the committee is to recommend policy language for the Davenport School District in order to create consistency in how we apply the WIAA rule of allowing 8th graders to play HS sports in the future.** If you would like to learn more please reach out to Mr. Rasmussen.

Amazing Community: Float Preview

This community is amazing! The float preview on the Wednesday prior to the Spokane Lilac parade is a tradition unlike any other. We are so proud of our community, MS/HS band (Mr. Harper), and this year's royalty!
