

ENDLESS POSSIBILITIES #TEAMGORILLA A CULTURE OF EXCELLENCE

WE ARE DAVENPORT

Quick Connections with the Davenport School District! (June 3, 2023)

New Bus Route:

Due to our school district growth, we recently added a **NEW bus route which started in late April**. This new bus route has eased the capacity on some of our other bus routes that were starting to reach capacity. **Former rock-star Kindergarten teacher Mrs. Kristy Mielke is the bus driver on this new route.** We will evaluate the need to continue this at the end of the school year. If you will be new to the district in the fall or hope to bring a "choice" student (a student who lives outside the district, but chooses to apply to attend Davenport School District), please contact the district or building offices ASAP, to help us make informed decisions to meet the needs of our students and families.

School Climate & Culture:

This spring James Layman from the Association of Washington Student Leaders (AWSL) has been here working with our secondary students on **Creating a Culture of Belonging**. Our student body & staff are working hard to create opportunities for **connection & kindness** throughout our school district. In the most recent session, James asked our students to pick two things from the graphic on the left that they needed to feel a sense of belonging and one thing that they could help contribute to make someone else feel that sense of connection. As one student said, "One act of kindness goes a long way and can create a ripple effect for change."
