HS Office: 509-725-4021

District Office: 509-725-1481

YES!

YES stands for Youth Engagement Specialist. One of the main goals of this position is to positively interact and build relationships with all students, staff, and families, while providing safety & security support for our schools & community.

Small School Modernization:

Our district was recently awarded a **Small School District Modernization Grant of \$2.186 million** by the state to make significant HVAC & Electrical upgrades to the Davenport High School building. The goal will be to replace the existing boilers, electrical, and piping to help maximize our energy efficiency. The current boilers were built in 2002 and are at the end of their life. Additionally, our district received a \$25,000 planning grant. That project will include planning for a new HS roof, new heating and cooling system in the HS gym, and continued electrical upgrades. This is exciting news for our community and district!

New & Returning “Choice” Students:

Due to our exceptional student enrollment numbers, we are working hard to develop a staffing plan that continues to maximize student learning. We have grown by almost 100 students over the past three years. This growth is pushing capacity and may require us to add another teacher in some areas in order to keep class sizes small. This is why we are asking for any **NEW or Returning “Choice” students to fill out and submit your paperwork**. We are anticipating everyone returning, but also want to account for anyone who may be leaving, and for any NEW students who want to join our District for the 23/24 school year. This critical information will help us better plan for our students. We appreciate your support!

Youth Engagement Specialist “YES”:

The Davenport School District and Lincoln County Sheriff’s Office are in the early stages of looking at partnering on a **Youth Engagement Specialist (YES) Officer for the 23/24 school year**. We sure appreciate the support of Sheriff Gants and his team as we continue to explore student, staff, & community safety!

Davenport School District, Where WE: Imagine, Empower, and Create, *ENDLESS POSSIBILITIES* for Every Student, Every Day!
