DAVENPORT

Quick Connections with the Davenport School District! (September 22, 2023)

Meet one of our newest staff members:

Mrs. Becky Hansen

Mrs. Becky Hansen: Robotics Highlight

We would like to introduce you to Mrs. Becky Hansen. Becky is new to us this year. She teaches a number of secondary math, science, and **Career & Technical Education (CTE)** classes at the MS & HS this year. One of the classes she is teaching is coding & robotics. I think the pictures tell the story—that **engagement** is off the charts! Welcome to the Gorilla family, Mrs. Hansen!

Summer School: Class of 1983

The class of 1983 was back in town over the summer and spent some time walking the hallways and sharing stories! Showcasing our amazing facilities and highlighting the outstanding programs in the DSD has become a summer tradition. Hearing the stories and the love our alumni have for Davenport is priceless! **The Once a Gorilla, Always a Gorilla** mantra is alive and well!

Homecoming Week: Culture Building

It has been another fantastic week of homecoming games and activities. The kids have been outstanding all week and our **gorilla spirit** is contagious! The HS football players greeted the Elementary/MS kids at the door Friday morning at 7:30 am. We are truly a **TK-12 system**. Super cool! **#TEAMGORILLA #youBELONGhere**
