## Ms. Emily McCoy: 3rd Grade (Small Class Sizes)

We would like to introduce you to Miss McCoy. Emily just started a few weeks ago to help us break our large 3rd grade into three classrooms. In Davenport, we believe in small student-to-teacher ratios. We are one of the few districts with our enrollment size that tries to keep class sizes in K-3 below twenty per classroom. **Our local levy helps support this endeavor**, and our students certainly benefit from the support! Small class sizes in these early foundational years of Kindergarten-3rd grade really help us set up our students for future success, so they can truly take advantage of a future full of “endless possibilities!” Welcome to the Gorilla family, Miss McCoy!

## After School Studies: Amazing Support

Did you know that the Davenport School District offers students extra time & support after school? We have an amazing team of educators available to help students get caught up on their day-to-day tasks or to just receive a little extra assistance with any concepts that may be causing confusion. If your child needs extra help, please reach out to the elementary, middle school, or high school office secretary to learn more. The dream team of Mrs. Slahtasky, Mrs. Choate, Mrs. Woodland, Mrs. Telford, Mrs. Van Buren, Mrs. Wilson, Ms. Johnston, and Mrs. Cormier is ready to meet our students' needs!

## Foundation for Davenport Schools: Giving Back

We often brag about how awesome our community is, but to see it in action takes it to a whole different level! The [Foundation of Davenport Schools](#) (use that link to visit their Facebook page) is a non-profit organization that helps provide scholarship money for Davenport Graduates. These dedicated individuals help our students & alumni pursue their post-secondary hopes & dreams! **#endlessopportunities #givingback #burgercrew**
